## CELEBRATE ALEXANDER 'GREEK' THOMSON & THE SIXTY STEPS

Please join us at 2pm to mark the installation of the new information signs and a special viewing bench at the Sixty Steps.

Hear about *The Greek Thomson Sixty Steps Preservation Trust's* exciting plans for restoration of the only public structure designed by Glasgow's great Victorian architect Alexander 'Greek' Thomson.

Take part in a special walkabout performance of the short play '**Intimations of Mortality**', and see actor Patrick Wallace (pictured right) bring 'Greek' Thomson back to life.

The Commonwealth Orchard will also be there, with a special apple surprise

**And starting at 9.30am, personal trainer and paratrooper Gary Goldie will be running up the steps 100 times, to raise money for the restoration.**
